2003- 02/2008 Sports & Orthopedic Specialists, P.A.
Minneapolis, MN
Physician Assistant

- Assist group of six fellowship trained orthopedic surgeons with a broad and diverse patient base: sports medicine, shoulder, elbow, knee, foot and ankle.
- Diagnose and treat various orthopedic injuries utilizing surgical and non-operative options while considering individual patient needs.
- Provide patient care both independently and under physician supervision within inpatient and outpatient settings.
- Perform diagnostic and therapeutic injections as indicated, including: glenohumeral, knee, subacromial, acromioclavicular, subcoracoid, elbow, medial/lateral epicondylar.
- Casting, splinting, and wound care as indicated.
- Office call for emergent patient concerns.

Surgical Experience:

Assist Surgeons with a wide variety of primary and revision cases, including:

Shoulder Arthroscopy:

- Rotator cuff repair (including single and double row fixation); labral repair (including Bankart/reverse Bankart, and SLAP lesions); capsular placcation/rotator interval closure; subacromial/coracoid/scapulothoracic decompression; distal clavicle excision.

Open Shoulder Procedures:

- Complex rotator cuff repair (including graft augmentation); Pectoralis major tendon transfer (for both subscapularis deficiency and chronic long thoracic nerve palsy); pectoralis major tendon repair; Bankart/reverse Bankart repair; coracoclavicular ligament reconstruction; biceps tenodesis; suprascapular nerve decompression.

Shoulder ORIF:

- Tuberosities, humerus/surgical neck, mesoacromion, clavicle, coracoid, glenoid.

Open Elbow Procedures:

- UCL reconstruction, posterolateral reconstruction, distal biceps/triceps repair, medial/lateral release.

Shoulder Arthroplasty:

Total and hemi, reverse total shoulder.

Elbow Arthroscopy:

Debridement, OCD debridement/micro-fracture.

Knee Arthroscopy:

ACL Reconstruction, meniscal repair, debridement, meniscectomy, release.

Knee Arthroplasty:

Total knee arthroplasty.

Ankle ORIF:

Tibia/fibula, complex fractures.

Additional Skills:

Casting and splinting as indicated; inpatient rounding.

Education: 2001-2003

Western University of Health Sciences Pomona, CA

Masters Degree in Physician Assistant Studies

1996-2000

University of Nevada, Reno Reno, NV

Bachelors Degree in Health Sciences
